

CAPTURING THE HOLIDAY SPIRIT IN CHATT HILLS

By: Laurie Searle

December 2022

The first weekend in December was filled with the holiday spirit as a number of fun events were offered around Chatt Hills.

Wild Fern Ranch on Hutcheson Ferry Rd hosted a Christmas Corral with a variety of local vendors, a visit from Santa, pony rides, and fresh wreaths and Christmas Trees.

The Serenbe Holiday Bazaar at the Lake Pavilion offered a variety of sustainable and eco-friendly gifts, as well as some favorite local vendors like Hills and Hamlets Book Shop.

Christmas at Chatt Hills at City Hall included entertainment, local vendors, community fellowship, and lighting of the City's Christmas Tree. We thank the Chatt Hills Community Outreach team, city staff, and all who supported this event.
